

Kaspars Bariss.

I'm going out to take a shower.

An employee comes to work

Everyone is forced to take a shower

How can I get a shower?

I don't want to take a shower

I'm all perverts

Pressurizers and rapists

I tell everyone "no, take a shower"

But the bastards make you waste water

I won't pay for everything

Water and shower repairs

Do whatever you want with me

You'll pay yourself
